

Newsletter #7 – Cheer On Our Youth at the Legion Provincial Track & Field Qualifiers!

Comrades,

We're calling on all members, families, and friends to come out and support the next generation of athletes at the Legion Provincial Track & Field Team Trials, taking place **July 4–5** at the University of Manitoba Stadium in Winnipeg.

This exciting event, known as the Kirk Cadman Memorial Classic, serves as the selection trials for Team Manitoba's Legion National Championships team (U16/U18), as well as for the Canada Summer Games team. These young athletes have trained relentlessly and will be competing for a spot on the national stage in the Legion Nationals later this summer.

This is a proud opportunity for our Legion family to show up, cheer loudly, and demonstrate our commitment to youth and sport in Canada.

 **Where:** University of Manitoba Stadium, Winnipeg

 **When:**

- **Thursday, July 4** – Events begin at 6:00 PM
 - **Friday, July 5** – Events run from 9:00 AM to 4:00 PM
-  Admission: Spectators welcome! No ticket required.

Let's fill the stands in support of our youth. Every cheer counts!
