## **Provincial Command Newsletter #20 – 2026 Poppy Campaign Updates**

### **2026 Poppy Campaign – Pay Tribute Box Requests Now Open Until July 10, 2026**

Branches via Dominion Command's all Branch emails have been advised that requests are now being accepted for Pay Tribute (tap) Poppy Boxes for the 2026 Poppy Campaign.

As fewer Canadians carry cash and more rely on debit cards, credit cards, and mobile payment options, the Pay Tribute program provides an easy and secure way for the public to support their local Poppy Trust Fund through tap-enabled donations.

The Royal Canadian Legion National Headquarters, in partnership with RBC, will once again make these touchless donation boxes available to participating Branches across Canada.

In 2025, Pay Tribute boxes raised more than \$855,000 in support of Veterans and their families. The most successful locations were high-traffic retail sites such as Walmart and Costco, demonstrating the value of securing prominent placement within your community.

Branches wishing to participate in the 2026 program must submit their requests online no later than **July 10, 2026**.

Request forms can be completed at: <https://store.tiptappay.com/legion/en/order>

Please note that demand may exceed available inventory. Box allocations are subject to approval by Provincial Command and National Headquarters. Branches will be advised of their allocations by August 14, 2026.

We strongly encourage Branches to submit their requests as soon as possible.
