Provincial Command Newsletter #21 – Poppy Projects 50/50!

Introducing the Monthly Legion MBNWO President's 50/50 Draw!

Your Manitoba & Northwestern Ontario Provincial Command is excited to launch the [RCL MBNWO President's 50/50 Draw](#)—a new monthly fundraising initiative in support of our Provincial Poppy Projects and the work of the Provincial Command Service Office.

This is an opportunity for members, Branches, and the public to support Veterans while also having a chance to win a cash prize!

All proceeds from the President's 50/50 Draw will help fund Provincial Poppy Projects that provide direct assistance to Veterans and their families, including:

- The Homeless Veterans Furniture Fund, helping Veterans transition from homelessness into safe, comfortable homes by providing essential furnishings and household items.
- Innovative PTSD treatment initiatives, supporting local fundraising efforts for cutting-edge treatment technology for Veterans living with operational stress injuries and post-traumatic stress disorder.
- Wildfire Emergency Relief Fund, ensuring the availability of immediate financial assistance for any Veteran displaced by wildfires in Manitoba and Northwestern Ontario.

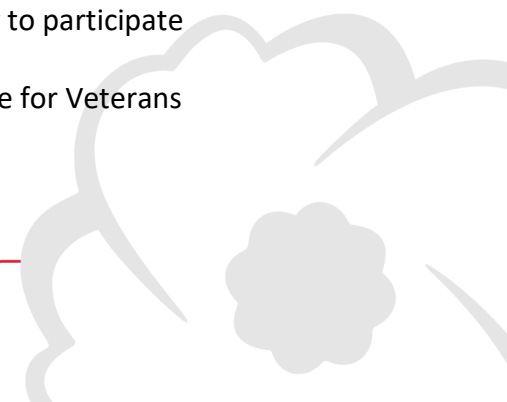

Every ticket purchased helps us continue expanding these important programs and ensuring that Veterans receive the support they deserve. More information on our Poppy Projects can be found on our website: <https://mbnwo.legion.ca/>

How Branches Can Help

We encourage every Branch to help make this initiative a success by:

- Considering supporting the draw
- Sharing the draw with your members through newsletters, meetings, and social media
- Displaying promotional materials in your Branch
- Encouraging family members, friends, and your local community to participate

The more individuals who take part, the greater the impact we can make for Veterans throughout Manitoba and Northwestern Ontario.
